You are receiving this notice as Quimbaya Gold Inc. (the "**Corporation**") has elected to use the notice-and-access model for delivery of meeting materials to its shareholders. Under notice-and-access, shareholders receive a form of proxy enabling them to vote at the Corporation's Annual General Meeting (the "**Meeting**"). However, instead of receiving a paper copy of the Management Information Circular (the "**Information Circular**") and Notice of Meeting (together the "**meeting materials**"), shareholders receive this notice with information on how they may access the meeting materials electronically. Shareholders should follow the instructions below to view the meeting materials on the internet. This communication presents only an overview of the more complete meeting materials that are available to shareholders on the internet.
